- Includes fuel, maintenance, and repairs (except damages caused by renter)
- Does not include operator unless indicated above.
- Does not include mobilization and demobilization. (Quoted based on location.)
- Renter shall supply a secure location for the equipment.
- Equipment, like welding machines and compressors, do not come with tow vehicles. If one is required we can provide a pickup at the rate listed above.
- If equipment is rented bare, then a lease agreement must be executed.
- Omzet Belasting (sales tax) will be an additional 8.5%

CCCG will do everything possible to minimize breakdowns and to repair them quickly. However, we cannot be responsible for cost or expenses incurred by the renter as a result of a breakdown. The sole remedy is for the equipment to be taken off rent.

These rates reflect prices for equipment we have in our rental fleet. We do not guarantee they will be available when requested. If we are required to rent equipment from 3rd parties to fulfill a request, the actual cost of the 3rd party rental will be charged plus markup.
